\$ECI - Elite Crypto Investment

About

Is a community-driven project and can not be controlled by anyone. \$ECI is a decentralized coin that leverages blockchain technology to create a unique coin that is designed to drive long-term adoption and growth. The platform is powered by the ECI token, which is used to incentivize community engagement and promote a self sustaining ecosystem. With instant rewards for holders, 4% of each transaction will be shared among the holders.

Why \$ECI?

\$ECI is a unique and innovative project that combines the power of social media, and blockchain technology. With a strong team, innovative features, and a powerful brand, we believe that \$ECI has the potential to become a leading player in the blockchain industry.

The evolution of DeFi and passive income opportunities has brought us to the doorstep of the coming explosion of \$ECI while earning \$ECI it self as a staking rewards.

Renounced Ownership

More comfortable with \$ECI. We decide to renounce ownership the CA to zero address.

We giving the security to our investors with renouncing the CA, there is no more controls to the code. All is SAFE with \$ECI. \$ECI is designed for better cryptocurrency ecosystem with valuable investment and stronger ecosystem by providing our own ECOsystem.
